### **Music Takes Center Stage at The Fillmore Jazz Festival**

The best talent the Bay has to offer will be showcased on three stages this weekend, July 4<sup>th</sup> and 5<sup>th</sup>, at the Fillmore Jazz Festival from 10 am – 6 pm each day. Music stages will be located at California Street, Sutter Street and Eddy Street – all at the intersections of Fillmore St.

From up-and-coming jazz fusion and latin-flavored acts to seasoned crooners belting out jazz standards, San Franciscans and out-of-town visitors alike can groove to old favorites or tune in to the new sounds of 24 different bands/performers. Also, each day on the Geary Street Bridge at Fillmore St., there will be swing dancing all day (10 am – 6 pm) including lessons, contests and a championship!

Summer's here and the time is right for dancin' in the streets - plus fine food, wine and beer, and gourmet cooking demos. Over 200 artisans and craftsmen will also display and sell their wares. It's the true blending of art... and soul.

This updated performance schedule will help everyone get the most out of the Fillmore Jazz Festival:
