Jubili frozen yogurt is not the traditional American soft serve but an Italian style frozen yogurt with a tart, tangy, and simple sweetness which very much resembles plain fresh yogurt. The Strawberry sorbet is completely dairy free and made with real strawberries blended in house, with no artificial flavorings. All frozen yogurts and sorbets are fat free and less than 23 calories per ounces! We only use the highest quality ingredients in everything we serve. We also only use fresh fruit, never frozen, for all our menu items from our toppings to our Delite Blends. All menu items are made fresh from order.
